

SNUBBIE WITH RETENTION (2)

This match is restricted to center-fire handguns with a maximum barrel length of 3". The intent is to practice with compact hideaway handguns. This is a 5 round match.

The first target is at arms length. The second target is approximately 7 to 8 yards distant. There are several non-threats in the scene. Know your target and what lies beyond it. Shoot-throughs on non-threats count against you (25 POINTS).

Starting position is at the low ready.

At the buzzer you engage the first target with ONE round **FROM RETENTION**. Then engage the second target with ONE round to the body (OR HEAD). Engage the third target with TWO rounds to the body (OR HEAD). Re-engage the second target with ONE more round to the body (OR HEAD)

Scoring will use the IDPA method of points down and time.

The above drawing is not to scale.
